## **VisitScotland's Themed Years**

### **Year of Scotland's Coasts and Waters 2020**

In 2020, Scotland celebrates its Coasts and Waters with a year-long programme of events and activities which will shine a spotlight on these vital elements of our landscape. From our beautiful natural features including coasts, lochs and rivers to our industrial heritage such as our canals, mills and the creation of our national drink – whisky, Scotland's Coasts and Waters have shaped our culture, our stories and our way of life.

So, whether you want to navigate your way around distant isles or canals, experience Scotland's maritime heritage at a visitor attraction, enjoy Scotland's abundant natural larder or discover Scotland's wildlife on a local boat trip - Scotland's coasts and waters are perfect for get-away-from-it-all adventures. For more info [www.visitscotland.com/ycw2020](http://www.visitscotland.com/ycw2020) and join the conversation using #YCW2020

### **Year of Scotland's Stories 2022**

Scotland's Year of Stories 2022 will shine a spotlight on the richness of our stories, past and present; celebrating our literary icons and heroes, diverse voices, stories that have leapt from page to screen and stage, the richness of our myths, legends and local tales - and the places that have inspired them. The words of Robert Burns are known and celebrated across the world, as are works by Sir Walter Scott and Robert Louis Stevenson, while stories by modern Scottish authors, such as JK Rowling's Harry Potter tales, are inspiring today's generation.

The story of real-life legends such as King Robert the Bruce, Sir William Wallace, Mary Queen of Scots have inspired poems, books and even Oscar winning movies. Stories of magic, ghosts, witches, haunted castles and tales of mystical figures such as Kelpies abound, and there are the oral traditions handed down through generations in Scotland's many diverse communities. We invite visitors to join us in exploring the rich history of Scotland's stories in 2022, including a programme of events which will take place across the year
