

Dumfries & Galloway - 4 day itinerary

01

Museum of Lead Mining

The Museum tells the story of how lead ore or 'galena' was extracted and the processes it went through to become the lead products that we know today. Your clients will discover the 18th-century lead mine where they will experience the thrill of going on the only underground gold mine tour in Scotland. They can take a glimpse into the past by visiting the miners' cottages and see how the miners and their families lived during the periods of 1750, 1850 & 1910.

Sweetheart Abbey

The romantic abbey is enclosed by an impressive precinct wall of massive granite boulders. Your clients will discover this splendid red-sandstone ruin, founded by Lady Dervorguilla, in memory of her husband Lord John Balliol. When her husband died in 1268, Lady Dervorguilla had his heart embalmed and placed in an ivory casket which she carried everywhere with her. On her death, she was laid to rest with her husband's heart and the monks named the abbey in memory of her.
